

BEFED

The BEFED rooster is the star of every BEFED restaurant.

It is a special barn-raised rooster, exclusively selected by Vallespluga; healthy, authentic and from a controlled supply chain that renders it one-of-a-kind. We prepare it for you every day with the utmost care and according to a secret recipe that makes it unique. Cooked to perfection on a charcoal grill, you will always find it tasty, tender, delicate and with a touch of spice.
